PERSON/AGENT FOR YOU: _____

IMPORTANT NOTICE

1. Please be advised that failure to submit a complete application, with all supporting documents, could **delay your hearing date**. The Zoning Board will not consider a request until all information is submitted and accurate.

2. Please be advised that the application deadline dates posted are designed to allow the staff time to review the application and receive required comments from coordinating agencies. The application is not considered complete until all required information from the applicant is available for review by the staff and coordinating agencies.

3. Please see Page 5 of this application to determine the deadline dates for filing your application.

SUBMISSION REQUIREMENTS

A. Page one of this application, completed and signed.

B. Proof of ownership (Copy of deed or affidavit)

C. If applicable, notarized proof of **authority to act as agent** for owner (board resolution, etc.)

D. The City of Gulfport Planning Division Staff will notify, by letter, property owners adjacent to the requested action identified in this application using the Land Roll database from the County Tax Office. If you would like to have additional persons or property owners notified, please provide a list of **additional persons to be notified**.

E. Provide certification by the Chief of the Gulfport Fire Department that the necessary facilities and equipment are available for protection of the higher structure.

F. Provide FAA approval of the excessive height structure.

G. Provide Airport Authority approval for any structure in excess of forty (40') feet. (Contact Don Shepley, Director of Planning, Airport Authority – Phone: (228) 863-5951 ext 11.)

H. Provide the following two **horizontal drawings**:

1. “Overall Proposed Height” overall total height of the building/structure on front, rear and both sides from mean sea level; and

2. “Overall Proposed Height for District” showing district height regulations, and proposed height for the front, rear and both sides.

Building Height: The vertical distance in all zones shall be measured from the finish (final) grade to the highest finished Roof surface in the case of flat (or nearly flat) roofs, or

to a point at the average height of roofs having a pitch of greater than one foot in four and one-half (4 ½') feet.

The building or structure being developed in the “Advisory Base Flood Elevation” (ABFE) will start the measurement of the vertical distance at the ABFE to the highest finished roof surface in case of flat (or nearly flat) roofs, or to a point at the average height of roofs having a pitch of more than one foot in four and one-half (4 ½') feet.

I. Site plan. Please note that approval of your request, in part, is based on your site plan.

- The property lines and dimensions have been provided on the drawing.
- All buildings and structures located on the property have been identified.
- All dimensions of buildings and structures have been noted on the site plan.
- All distances from the property lines to all the buildings and structures have been identified and noted on the site plan.
- Street names have been provided which abut the property.
- Traffic flow, parking and driveways have been identified.
- If required buffer strips have been identified
- Other pertinent information as needed to pictorially demonstrate the proposed development/use.

For each excess height structure: Each dimension provided herein for required front, side and rear yard is increased one foot every two feet of such excess height; provided, further, where no yard is required, the part of the structure exceeding the height specified for the district shall be set back from the vertical lane of the adjacent building site line one foot for every two feet of such excess height.

Height exceptions: The height limitations contained in the district regulations do not apply to spire, belfries, cupolas, antennas, water tanks, ventilators, chimneys, parapet walls, cornices or necessary mechanical appurtenances usually required to be placed above the roof level and not intended for human occupancy.

J. Cash or check payable to the City of Gulfport in the amount of **\$75.00**.

(See Page 4 on reverse for additional requirements)

**SUPPLEMENTAL SUBMISSION REQUIREMENTS
FOR
EXCESSIVE HEIGHT REQUEST FOR CELL/RADIO COMMUNICATION TOWERS**

**Complete all information requested on Pages 1 and 3
along with the following additional requirements:**

K. Provide an affidavit addressing the following:

- That there are no existing towers or other structures that can accommodate the proposed equipment/antenna within the geographic area required to meet the applicant's engineering requirements.
- That the proposed tower is designed to have sufficient structural capacity for co-location of additional equipment/antennas.

L. Provide a site plan as described on Page 3 including any fencing and/or any enclosure in which equipment will be placed.

M. Provide a site plan showing current coverage, where the new cell/radio tower will be placed and indicate what coverage area the new cell/radio tower will service.
